 Energy-Saving

# Life is colorful, so your lights should be, too.

Bring color to your home with the EZVIZ Smart Color Bulb. Choose from 16 million colors to create just the right atmosphere for any mood or activity.

## Customize the color temperature.

Ranging from warm to cool daylight, the EZVIZ LB1-Color bulb helps you relax, concentrate, and go to sleep and wake up naturally.

6500K ————— 2700K

## Choose the right light setting.

Select from eight ready-to-go lighting modes to match your daily routines or your mood at the moment. You can even customize each scene as you like.

-  Sleeping
-  Christmas
-  Reading
-  Valentine
-  Relaxed
-  Halloween
-  Sweet
-  Easter

## Set timers for your convenience.

Easily make your lights go on and off automatically at specific times of the day.

## Control from anywhere.

---

With the EZVIZ App, you can turn on your porch light when you are on your way home, or check whether you've forgotten to turn off the lights while at the office.

## Voice control your lights.

---

Hands full? No problem! Ask Alexa or Google Assistant to turn your lights on or off or to dim the brightness!

\*This function is only available in some countries.  
Please check before purchasing.

## Incredibly easy to install.

---

Install the EZVIZ LB1 bulb as you would install ordinary bulbs. Then download the EZVIZ App and pair it with your Alexa or Google Home.
